PART 1 – IN-YEAR REPORT

1.1 Purpose

The purpose of this report is to comply with Section 52(d) of the Municipal Finance Management Act 56 of 2003 and Section 28-29 of the Municipal Budget and Reporting Regulations (MBRR) which requires that specific financial information be reported to council in a prescribed format.

1.2 Legislative Background

In terms of Section 52 (d) of the Municipal Finance Management Act 56 of 2003, *General Responsibilities*

The mayor of a municipality –

- a) must provide general political guidance over fiscal and financial affairs of the municipality ,
- b) in providing such general political guidance, may monitor and, to the extent provided in this Act, oversee the exercise of responsibilities assigned in terms of this Act to the accounting officer and the chief financial officer, but may not interfere in the exercise of those responsibilities;
- c) must take all reasonable steps to ensure that the municipality performs its constitutional and statutory functions within the limits of the municipality's approved budget;
- d) must, within 30 days of the end of each quarter, submit a report to the council on the implementation of the budget and financial state of the municipality; and
- e) must exercise the other powers and perform the other duties assigned to the mayor in terms of this Act or delegated by the council to the mayor.

1.3 Mayor's Report

The mayor's report accompanying an in-year must provide -

- a) a summary of whatever the municipality's budget is being implemented in accordance with the service delivery and budget implementation plan and any service delivery agreements with municipality entities;
- b) a summary of any financial problems or risks facing the municipality or any such entity; and
- c) any other information considered relevant by the mayor.

1.3.1 A summary of whatever the municipality's budget is being implemented in accordance with the service delivery and budget implementation plan (SDBIP) and any service delivery agreements with municipality entities

a) Performance (Actuals) against Planned SDBIP

This report provides a summary of the main budget issues arising from budget monitoring process. In addition, it comprises of the progress of the budget implementation against projections contained in the Service Delivery and Budget Implementation Plan, and is intended to inform and enable the Council of Ngaka Modiri Molema District Municipality to fulfill its oversight responsibility.

As per March 2020 budget statements, the following narration provides for operating revenue and expenditure performance against planned SDBIP.

- The YearTD Operating revenue collected for period ending March 2020 is R 792, 466 million which translate to a surplus of 31% or R 186,089 million against planned YearTD budget of R 606, 377 million. The above-mentioned surplus is as results of investment revenue and transfers and subsidies of R 25,513 and R 766,236 million respectively.

NGAKA MODIRI MOLEMA DISTRICT MUNICIPALITY

- For period ending March 2020, the YearTD Operating expenditure is R 434, 866 million which translate to underspending of 34% or R 224, 716 million against the YearTD budget of R 659, 581 million. The abovementioned underspending is mostly affected by all expenditure line items which depreciation & asset impairment; finance charges; and materials and bulk purchase as the highest.

Considering capital expenditure for period ending March 2020, YTD capital expenditure is R 122, 043 million against YearTD budget of R 254, 861 million. As it appears, this expenditure shows underspending of R 132, 818 million or 52% as compared to YearTD capital budget. This raises a concerns to our planning and capacity to implement 2019/20 SDBIP especially projects relating to service delivery.

1.3.2 Madam Speaker, I now present a summary of financial problems or risks facing the municipality

The following are the financial problems or/and risks associated with service delivery infrastructure:

- Labour unrest due to inconsistent application of HRM policies and procedures
- Risk of operational failure;
- Safety of our employees;
- Failure to meet community demands;
- Loss of revenue/or unauthorized expenditures;
- Negative environmental impact;
- Uncertainty on how much longer the infrastructure will be reliable, and
- Service delivery protests.

In addition, the following are other financial problems or risks facing the municipality:

- Take precautionary measures to combat the outbreak of coronavirus;
- Unfunded budget over the MTREF;
- Service delivery protests due to inadequate intervention measures;
- Reputational risk;
- Upwards pressure on repairs and maintenance of water and sanitation infrastructure due vandalism and spillage of waste water treatment plants ;

NGAKA MODIRI MOLEMA DISTRICT MUNICIPALITY

- Budgeting for surplus/or reserves over the MTREF;
- Huge amount of contingent liabilities;
- Misalignment between SDBIP, Cashflow and procurement plans;
- Non-compliance with mSCOA and reporting regulations (MFMA & MBRR);
- Underspending of conditional grants which will lead to withholding of the funds;
- Delay in projects approval process;
- Declining credit profile; and
- Global economic downfall.

1.4 Resolutions

- 1.4.1** Take necessary steps to fight coronavirus outbreak to our employees and community at large;
- 1.4.2** Noting the monthly budget statements and any supporting documents for period ending March 2020;
- 1.4.3** Noting the financial problems or risks facing the municipality;
- 1.4.4** Noting the material variances from the service delivery and budget implementation plan;
- 1.4.5** Noting the remedial action or corrective steps taken or to be taken to ensure that projected revenue and expenditure remain within the municipality's budget; and
- 1.4.6** Any other resolution that may be required.

1.5 Executive Summary

The executive summary of monthly budget statement must cover at least the following –

- a) the municipality's consolidated performance, in relation to both the approved annual budget and the latest approved adjustment budget, with specific reference to the financial and non-financial impact of the performance of the municipal entities on the in-year reports tables, charts and explanations;
- b) any material variances from service delivery and budget implementation plan; and
- c) any remedial or corrective steps taken or to be taken to ensure that projected revenue and expenditure remain within the municipality.

a) The municipality's consolidated performance, in relation to both the approved annual budget and the latest approved adjustment budget

The municipality has placed significant investment in delayed and new infrastructure, and this is to ensure that basic services to the community are served. At this point, it is worth to note that the increase in our repairs and maintenance budget is to ensure that the useful life of the existing infrastructure is extended so as to derive full value for money from our assets. It is also important that expenditure in the grant. Furthermore, it is important that expenditure funded by conditional grants be closely monitored so as to ensure that projects are completed and monies are not returned to National Fund as a result of under spending.

To maintain the above status, the following issues need to be prioritised and addressed: 1) Oversight structures that hold the administration to account 2) An administration that is committed to achieving the targets and objectives of our Integrated Development Plan (IDP) 3) Management that ensures that risks are periodically identified, assessed, and effectively mitigated. 4) Administration that produce regular, accurate and complete financial and performance (service delivery) reports; and lastly, but not list, appropriate the implementation of policies and procedures.
